Directors' Report

Year Ended 30 June 2024

The Directors present his report, together with the financial report of The Sydney Portugal Community Club Limited (the club) for the year ended 30 June 2024.

## Information of Directors

The Directors of the club in office at any time during or since the end of the financial year are:

Name of Directors	Role	Commenced Position	Ceased Position
Nuno Da Silva	(President)	Appointed 05/05/2022	Current
Jorge Leonel Sequeira Martins	(Secretary)	Appointed 05/05/2022	Current
Orlando Guerra Maciel	(Director)	Appointed 05/05/2022	Current
Semiao Afonso	(Vice President)	Appointed 05/05/2022	Current
Paul Goncalves	(Director)	Appointed 09/11/2022	Current

## Directors' Meetings

The number of Directors' meetings of the club's Board of Directors (the Board) that each Director was eligible to attend, and the number of meetings attended by each Director was:

Name of Director	Meetings Held*	Meetings Attended
Nuno Da Silva	17	15
Jorge Leonel Sequeira Martins	17	17
Orlando Guerra Maciel	17	16
Semiao Afonso	17	10
Paul Goncalves	17	13

\*Number of meetings held during the time the director held office during the year.

## Principal Activities and Performance

During the year, the principal activities of the club consisted of operating as a licensed social and sporting club.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

Directors' Report

Year Ended 30 June 2024

## Changes in State of Affairs

There have been no significant changes in the state of affairs of the company during the financial year.

## Operating Result

The net profit for the year after providing for income tax was \$530,100 (2023: Net Profit \$922,765).

## Objectives

### Short term objectives

- Provide well maintained amenities and facilities that meet the needs of members;
- Maintain financial viability; and
- Maintain a high level of customer service, and satisfaction.

### Long term objectives

- To ensure the club has a strong financial future;
- To ensure the club is a desirable entertainment venue for members and guests; and
- To develop the club as a meeting place for social cohesion for members and guests.

### Strategy for achieving the objectives

- Provide members with a diverse range of entertainment, activities and facilities;
- Continue to grow membership and maintain a strong financial position; and
- Promote the club as a meeting place for social cohesion by supporting local community organisations.

### Performance measures

The club measures its activities using financial and non-financial key performance indicators using;

- Club membership growth;
- Benchmarking key performance indicators against other clubs; and
- Comparison of actual financial performance to budgeted performance.

### Events Subsequent to Balance Sheet date

There are no matters or circumstances that have arisen since the end of the year that have significantly affected or may significantly affect either:

- the entity's operations in future financial years;
- the results of those operations in future financial years; or
- the entity's state of affairs in future financial years.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

Directors' Report

Year Ended 30 June 2024

## **Proceedings on behalf of the club**

No person has applied for leave of Court to bring proceedings on behalf of the club or intervene in any proceedings to which the club is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The club was not a party to any such proceedings during the year.

## **Indemnification of Officers and Auditors**

During the financial year, the club paid a premium in respect of a contract ensuring the Directors of the company (as named above), the club secretary and all executive officers of the club and any related body corporate against a liability incurred as such a director, secretary or executive officer to the extent permitted by the Corporations Act 2001. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium.

The club has not otherwise, during or since the end of the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer or auditor of the club or any related body corporate against a liability incurred as such an officer or auditor.

Year Ended 30 June 2024

## Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out at page 6.

Signed for and on behalf of the Board and in accordance with a resolution in respect thereof.

**Jorge Leonel Sequeira Martins**  
**Secretary**

Marrickville, NSW

Dated 6<sup>th</sup> September 2024

## AUDITOR'S INDEPENDENCE DECLARATION

### UNDER SECTION 307C OF THE CORPORATIONS ACT 2001

As the auditor of The Sydney Portugal Community Club Limited for the year ended 30 June 2024, I declare that, to the best of my knowledge and belief, there have been:

- No contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the audit, and
- No contraventions of any applicable code of professional conduct in relation to the audit.

**Alex Koutzoumis**  
**Registered Company Auditor**

Dated 9<sup>th</sup> September 2024

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

#### General Information and Statement of Compliance

The financial report has been prepared as a **Tier 2 general purpose financial report** which has been prepared in accordance with Australian Accounting Standards – Simplified Disclosures and Interpretations issued by the Australian Accounting Standards Board Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers The Sydney Portugal Community Club Limited (“the club”) as an individual entity. The Sydney Portugal Community Club Limited is a Company limited by guarantee, incorporated and domiciled in Australia.

Principal place of business is at 100 Marrickville Road, Marrickville NSW 2204.

The financial report was authorised for issue by the Board of Directors.

The following is a summary of the material accounting policies adopted by the club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### Reporting Basis and Conventions

This financial report has been prepared on a going concern basis and on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

#### Adoption of new and revised Accounting Standards

In the current year, the company has adopted all of the new and revised Standards and interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for the current annual reporting period. There has been no material impact of these changes on the company's accounting policies.

*New and revised Australian Accounting Standards in issue but not yet effective*

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the company's financial statements are disclosed below. The company intends to adopt these new and amended standards and interpretations, if applicable, when they become effective.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

Notes to the Financial Statements

For the Year Ended 30 June 2024

## **New Accounting Standards and Interpretations not yet mandatory or early adopted**

*AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*

A separate disclosure Standard applied in the preparation of general-purpose financial statements prepared in accordance with 'Tier 2' of the differential reporting framework in AASB 1053 Application of Tiers of Australian Accounting Standards.

Entities preparing general purpose financial statements in accordance with this Standard are not required to comply with the disclosure requirements of other Accounting Standards. However, the recognition and measurement requirements of all Accounting Standards must be applied.

The disclosure requirements in AASB 1060 replace those required under 'Reduced Disclosure Requirements' (RDR) which shaded those disclosure requirements of Accounting Standards that were not applicable to Tier 2 entities. The number of disclosures required by this Standard are generally less than RDR.

### **(a) Revenue Recognition**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

#### Sale of Goods

Sale of goods are recognised at the point of sale, which is where the customer has taken delivery of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and trade discounts.

#### Poker Machines

Poker machine revenue is recognised net of payouts.

#### Membership

Membership revenue is recognised in the year in which it relates.

### **(b) Operating expenses**

Operating expenses are recognised in profit or loss upon utilisation of the service or at the date of their origin.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

#### (c) Income Taxes

The income tax expense or benefit for the period, is the tax payable on that period's taxable income based on the applicable income tax rate, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to apply when the assets are recovered or liabilities settled, based on those tax rates that are enacted or substantively enacted.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of recognised and derecognised deferred tax assets are reviewed each reporting date. Deferred tax assets recognised are reduced to the extent that it is no longer probable that future taxable profits will be available for the carrying amount to be recovered. Previously unrecognised deferred tax assets are recognised to the extent that it is probable that there are future taxable profits available to recover the asset.

Deferred tax assets and liabilities are offset only where there is a legally enforceable right to offset current tax assets against current tax liabilities and deferred tax assets against deferred tax liabilities; and they relate to the same tax authority on either the same taxable entity or different taxable entity's which intend to settle the claim simultaneously.

#### Mutuality principle

The company calculates its income in accordance with the mutuality principle, which excludes from income, any amounts of subscriptions and contributions from members, and payments received from members, for particular services provided by the club or association, e.g. poker machines, bar and dining room service, in the case of social clubs. The Commissioner of Taxation accepts this method of calculating income as appropriate for recognised clubs and associations.

Amendments to the Income Tax Assessment Act 1997 ensure social clubs continue not to be taxed on receipts from contributions and payments received from members.

#### (c) Cash and Cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### (d) Trade and Other Receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Trade receivables are generally due for settlement within 30 days.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

#### (e) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

#### (f) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

##### Land and buildings at cost

Land and buildings at cost are measured using the cost model.

#### (g) Property, plant and equipment (Continued)

##### Land and buildings at fair value

Land is shown at fair value, less subsequent depreciation and impairment of buildings. The valuations are undertaken more frequently if there is a material change in fair value relative to the carrying amount. Any accumulated depreciation at the date of valuation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Increases in the carrying amounts arising on valuation of land and buildings are credited in other comprehensive income through to the revaluation surplus reserve in equity.

Any revaluation decrements are initially taken up in other comprehensive income through to the revaluation surplus reserve to the extent of any previous revaluation surplus of the same asset. Thereafter decrements are taken to the profit and loss.

##### Plant and equipment

Plant and equipment are stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

##### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated over the asset's useful life to the company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below.

<b>Fixed asset class</b>	<b>Depreciation rate</b>
Buildings	2.5% straight line
Plant and Equipment	10-20% diminishing value

Any revisions are accounted for prospectively as a change in estimate.

#### (h) Impairment of non-financial assets

At the end of each reporting period the company determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

#### (i) Financial instruments

Financial instruments are recognised initially using trade date accounting, ie. on the date that the company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

##### Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- financial assets at fair value through profit or loss;

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the statement of profit or loss and other comprehensive income in the 'finance income' or 'finance costs' line item respectively.

##### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The company's trade and other receivables fall into this category of financial instruments.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the company renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the company does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

#### Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities depending on the purpose for which the liability was acquired.

The entity's financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

#### Impairment of financial assets

At the end of the reporting period the company assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

#### Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced through the use of an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

#### **(j) Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to the short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are not usually paid within 30 days of recognition.

#### **(k) Borrowing costs**

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

#### (l) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (m) Employee Benefits

Provision is made for company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Changes in the measurement of the liability are recognised in profit or loss.

#### (n) Reserves

Components of equity include the following:

- revaluation reserve – comprises gains and losses from the revaluation of land and buildings (see Note 14)

Retained earnings include all current and prior period retained profits.

#### (o) Significant management judgement in applying accounting policies

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

##### Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

##### Impairment

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating units, based on expected future cash flows and uses an interest rate to discount them.

# The Sydney Portugal Community Club Limited

ABN 37 002 690 799

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Statement of Significant Accounting Policies

Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

#### Inventories

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by future technology or other market-driven changes that may reduce future selling prices.

#### Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

#### Fair value of financial instruments

The company has certain financial assets and liabilities which are measured at fair value. Where fair value has not able to be determined based on quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

#### Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

### (o) Going Concern

At 30 June 2024, the club had net cash balance of \$393,440 and net asset position of \$9,901,675. The club had positive operating cashflows of \$755,372 for the year.

The Directors believe the Club is a going concern due to the following:

- rolling over all existing facilities;
- active management cash outflows;
- negotiation by the board with a number of sources to hire the soccer facilities on a long-term agreement; and
- negotiation by the board and progression of lease options with other prospective customers.

On the above basis, it is the opinion of the Board of Directors that the company will be able to continue as a going concern and therefore, this basis of preparation is appropriate.

## Directors' Declaration

For the Year Ended 30 June 2024

The Directors of the company declare that:

- 1 The financial statements and notes as set out on pages 7 to 26, are in accordance with *the Corporations Act 2001* and:
  - (a) Comply with Australian Accounting Standards – Simplified Disclosures, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
  - (b) Give a true and fair view of the financial position as at 30 June 2024 and of the performance for the year ended on that date of the company.
- 2 In the Directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

---

**Jorge Leonel Sequeira Martins**  
Secretary

Dated 6<sup>th</sup> September 2024

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
THE SYDNEY PORTUGAL COMMUNITY CLUB LIMITED**

**Report on the Audit of the Financial Report**

**Qualified Opinion**

I have audited the accompanying financial report of The Sydney Portugal Community Club Limited (the company), which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the Directors' declaration.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the financial report of The Sydney Portugal Community Club Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2024 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosure (including Australian Accounting Interpretations) and the *Corporations Regulations 2001*.

**Basis for Qualified Opinion**

There are a number of revenue types as described in Note 2 of the financial statements (revenue types) which are a significant source of fundraising revenue for the company.

The company has determined that it is impracticable to establish control over the collection of these revenue types prior to entry into its financial records.

Accordingly, as the evidence available to me regarding fundraising revenue from this type was limited, our audit procedures with respect to revenue had to be restricted to the amounts recorded in the financial records.

I therefore am unable to express an opinion whether these revenue types of the company recorded is complete.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. I am independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
THE SYDNEY PORTUGAL COMMUNITY CLUB LIMITED**

**(continued)**

**Basis for Qualified Opinion (continued)**

I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the Directors of the company, would be in the same terms if given to the Directors as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

**Emphasis of Matter - Going Concern**

I draw your attention to Note 1(o) of the financial statements which describes the basis from which the Directors' are satisfied that the going concern assumptions are appropriate. As stated in Note 1(o), these events or conditions, along with other matters as set forth in Note 1(o) are critical for the company to achieve.

In the absence of achieving these events and conditions, may cause material uncertainty and cast significant doubt on the company's ability to continue as a going concern. My opinion is not modified in respect of this matter.

**Responsibilities of the Directors for the Financial Report**

The Directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosure and the Corporations Act 2001, and for such internal controls as the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
THE SYDNEY PORTUGAL COMMUNITY CLUB LIMITED**

(continued)

**Auditor's Responsibilities for the Audit of the Financial Report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

**Alex Koutzoumis**  
**Registered Company Auditor**

Dated 9<sup>th</sup> September 2024
